

# Is Your Child Struggling at School? Do You Have Questions about IEPs?

Parent Information Center  
A Project of Parents Helping Parents of WY, Inc.

Is learning a challenge for your child? Or does behavior get in the way of his/her learning and get your child into trouble every day? Do you have questions on what you can ask for to get support for your child to help him/her be more successful at school?

Come learn more about Individualized Education Programs (IEPs) to be an effective and confident partner with your child's IEP school team!

**Tuesday, Aug 1, 2017      6:00 to 7:30 PM**
